

Thank You for Attending the 2024 SPE TPO Global Automotive Conference

Post Event – Virtual On Demand Access is Now Available!

The 2024 Conference Planning Committee would like to thank you for attending the 25th Annual 2024 SPE TPO Global Automotive Conference. **We are happy to report that the *Virtual On Demand Portal* is now open.**

We trust you found value in our comprehensive Conference Program consisting of 5 Keynote Addresses, 2 OEM-led Panel and Plenary Discussions, 7 Technical Program Sessions featuring 63 Papers/Presentations, an Executive Marketing Forum, our Ecotek Lab Student Poster Presentation and Competition, and a full Exhibit Hall Expo area with 53 Sponsors and Exhibitors. With the voluntary 2024 Conference Planning Team's focus on the latest Technical Program content, interaction, and delivery, as well as enabling abundant Networking opportunities, and also using your feedback from previous years, we worked diligently to optimize our core format and introduce new elements and further enhancements this year.

As a registered attendee, **you** are the reason we do this and why we had another enjoyable and successful year, celebrating 25 years of innovation! During the course of the event, we had over 650 participants attend from the entire mobility value chain. Again, thank you for helping make our 25th Anniversary Event an overwhelming success!

Feel free to view and/or download photos of the entire 2024 event at our website (www.auto-tpo.com) in two places: 1) On Home Page under "Conference" or 2) On Home Page under "Announcements".

As a registered attendee, you have access to all of the published content offered by the Technical Program. Once again this year, we are pleased to offer complete video recordings of all Technical Program Session presentations, as well as some OEM-led panel discussions and keynote addresses for you to view **On Demand**.

4 Easy Steps to Access the Post Event – Virtual On Demand Portal:

- 1) Please access our website at www.auto-tpo.com
- 2) Click on the blue **Virtual On Demand Access** button on the website home page. This will take you to the Post Event - On Demand Virtual Portal log-in page.
- 3) Click on **green "Login To Proceedings"** (upper right hand corner). Then, on the new SPE page, under the **central orange bar "Please log in to proceed"**, enter your *Conference Registration Log-In Credentials* in the boxes. Use the same email address and password you used to register for the Conference.*
- 4) Upon entering the credentials, you will be taken to and have full access to the On Demand Virtual portal. The Navigation Bar and Page is organized by **Session** so you can easily find the information you are looking for, using the Final Program Agenda or Program as a reference if necessary (also accessible from the Navigation Page).

Information available to view and/or download includes:

- **Video Recordings of All Presentations offered in the Technical Program Sessions**
[Viewable only]
- **Published Versions of All Papers/Presentations offered in the Technical Program Sessions** [Can download .pdfs]
- **Video Recordings and/or Published Presentation Slides of select Keynote Addresses and the OEM-led Panel/Plenary Discussions**
- **Speaker's Biography**
- **Speaker's Photo**
- **Digital Version of the 2024 Conference Program Guide Book**
- **Final 2024 Program Agenda (Schedule)**

➤ **Helpful Tip:** Once you make your selection on the Navigation Page, you can further search the papers listed by using "Ctrl. F" to find items by keywords (i.e. speaker name, paper title key words, etc.).

* **Please Note:** You must use the **same** E-mail Address and Password that you used to register for the Conference (*Registration Log-In Credentials*) to access the Post Event - On Demand Virtual Proceedings. If you forgot your password, you can RESET it from the Log In page using your email address. If you have any further questions, please contact Karen Rhodes-Parker by e-mail karen@spedetroit.com .
